Enrollment Information

Enrollment must be completed within 31 days of your full-time start date through the Employee Self Service (ESS). You must complete this process even if you are waiving benefits. If you do not enroll within this 31 day period, you will not be eligible to enroll until the next open enrollment period, unless you have a qualifying life event.

Please read the Eligibility Requirements and follow instructions on Accessing the Employee Self Service (ESS) below to complete your enrollment.

Eligibility Requirements

Eligible Employees: Employees classified as full-time are eligible to participate in El Paso County's health insurance benefit plans. If you are hired full-time starting from the 1st through the 15th of the month, coverage for you and any of your enrolled dependents is effective on the first day of the next month. If you are hired full-time starting from the 16th through the last day of the month, coverage for you and any of your enrolled dependents is effective on the first day of the second following month.

Example 1: First day of full-time employment is January 15th, coverage is effective February 1st.

Example 2: First day of full-time employment is January 16th, coverage is effective March 1st.

Eligible Dependents: Eligible dependents include your lawful spouse and children who are less than 26 years old. Dependent children that are age 26 or more years old and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical handicap that are enrolled on the plan before age 26, may continue coverage after age 26. You may be required to provide proof of the child's dependent status to the health care vendor or to the El Paso County Employee Benefits Division.

You must provide proof of relationship for enrolled dependents to the Employee Benefits Division within 30 days of your enrollment; e.g., spouse: marriage/civil union certificate or common law affidavit, child: birth certificate.

Enrollment Frequently Asked Questions (FAQ)

What is the deadline to complete new hire benefit enrollment?

You have 31 days from your full-time hire date to enroll in benefits.

What if I don't want to elect any County benefits?

You must still complete the enrollment process and waive any benefits you do not want.

My spouse is also a full-time employee with El Paso County and is eligible for benefits. How should we enroll?

You should carefully review the contribution rates and/or deductibles and out-of-pocket maximums and select the options that best meet your needs.

Can I make a change to my benefits at any time?

If you have a qualifying life event as defined by the IRS (i.e., birth, adoption, marriage/civil union, divorce, etc.) you can make changes to your benefits by submitting a benefit change form to the El Paso County Employee Benefits Division **within 31 days of the life event effective date**. Documentation will be required for the life event and, if adding a dependent, proof of relationship. If there is no qualifying life event, changes can only be made at annual open enrollment.

When is open enrollment?

Open enrollment is held annually, typically in the month of October. Changes made at open enrollment are effective January 1st of the following calendar year.

Flexible Spending Accounts (FSA)

An FSA is a Flexible Spending Account which is authorized by the IRS and available through your employer. There are two (2) types of FSAs available: a Health Care account and a Dependent Care account. Both accounts allow you to set aside money for eligible expenses on a pre-tax basis. El Paso County's FSAs are administered by **Employee Benefits Corporation (EBC)**.

Eligible **Health Care expenses** include deductibles, coinsurance and copays which are not covered by your medical, prescription, dental or vision plans. Eligible **Dependent Care expenses** include day care, before and after school programs, nursery school or preschool, summer day camp for dependent children under age 13 and even adult day care for eligible dependents. To view a listing of eligible Health Care or Dependent Care expenses, visit the EBC website at www.ebcflex.com.

As you incur Health Care and/or Dependent Day Care expenses, you may submit a claim for those expenses to get reimbursed with tax-free dollars from your EBC account. To view a listing of eligible Health Care or Dependent Day Care expenses, visit the EBC website at www.ebcflex.com.

Things you need to know about FSAs:

- The maximum that you can contribute to the Health Care FSA in 2020 is \$2,700.
- The maximum that you can contribute to the Dependent Care FSA in 2020 is \$5,000 if you are a single employee or married filing taxes jointly or \$2,500 if you are married and filing taxes separately.
- You do not need to be on the El Paso County Medical Plan to participate in an FSA.
- **Contributions for FSA will be deducted from all remaining bi-weekly pay periods in the plan year.**
- You may set up direct deposit of reimbursements to the bank account of your choice at www.ebcflex.com.
- You have 60 days after the plan year to file 2020 claims for reimbursement - until February 28, 2021.
- You are allowed to rollover a minimum of \$50 up to \$500 of unused Health Care FSA dollars into the following plan year. Money left in your account at the end of the plan year under \$50 or in excess of \$500 is forfeited.
- There is no rollover for the Dependent Day Care FSA. Unused amounts at the end of the plan year will be forfeited.

Disability Insurance Plans

Full-time employees are enrolled in and eligible for Short Term Disability and Long Term Disability insurance per plan eligibility requirements. Short Term Disability insurance is paid by the employee through payroll contributions of \$5 per pay period. Long Term Disability insurance is paid in full by El Paso County. These disability insurance plans provide a financial benefit that pays a percentage of an employee's salary for a specified amount of time if they are ill or injured and cannot perform the duties of their job. Please see the Employee Benefits Guidebook or the Summary Plan Descriptions found on the Employee Portal for more information on these benefits.

Health Care Reform Notice

Grandfathered Health Plan: El Paso County believes the Medical Health Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at El Paso County Employee Benefits Division (719) 520-7420.
