Eligibility Requirements

Eligible Employees: Employees classified as full-time are eligible to participate in El Paso County's health insurance benefit plans.

Eligible Dependents: Eligible dependents include your lawful spouse and children who are less than 26 years old. Dependent children that are age 26 or more years old and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical handicap that are enrolled on the plan before age 26, may continue coverage after age 26. You may be required to provide proof of the child's dependent status to the health care carrier or to the El Paso County Employee Benefits Division.

You must provide proof of relationship for enrolled dependents to the Employee Benefits Division within 30 days of your enrollment. E.g., spouse: marriage certificate, civil union certificate or common law affidavit; child: birth certificate or court documents.

Benefits Effective Date: Coverage for you and any of your enrolled dependents is effective on the 1st of the month following your full-time date of hire (first day of work).

Enrollment Process

Enrollment must be completed within 31 days of your full-time start date. You must complete this process even if you are waiving benefits. If you do not enroll within this 31-day period, you will not be eligible to enroll until the next open enrollment period, unless you have a qualifying life event.

Before starting the enrollment, you will need the following information:

- Decisions on the benefits you want to elect for 2022
- Flexible Spending Account amounts
- Dependents' names, dates of birth, addresses, and Social Security numbers
- Life insurance beneficiaries' names, dates of birth, addresses, phone numbers and percentage of benefit
- Proof of relationship documentation

Benefits Enrollment Process:

- Go to the Employee Benefits Portal from OnlinEnroll: umr.workterra.net. You will need to turn off your pop-up blocker or add this site to your allowed pop-ups.
- Enter the information below and click LOGIN:
 - USERNAME**– this is your six (6) digit employee/user ID
 - PASSWORD** – the default password is the first four (4) digits of your Social Security number

- Once logged in you will be asked to reset your password.
- As a new hire, you will automatically be taken to new hire enrollment welcome page. Please read the information and accept agreements.
- Review your personal data for accuracy and add any dependent information. Social Security numbers are required.
- Once you have elected or waived each benefit, you will be directed to your Confirmation Statement.
- Review the Confirmation Statement and, if accurate, **save or print a copy of the Confirmation Statement** for your records.
- Then, click the "**FINISH**" button at the bottom of the page to complete the enrollment process. (The Confirmation Statement may also be accessed from the homepage after you click "FINISH.")

Revisions to New Hire Benefit Elections:

If you are within the new hire enrollment window and wish to update your previously submitted elections, on the Employee Benefits Portal homepage, you can click on the "Update New Hire Elections" button and make the changes. **Note: If you go back into the enrollment process, any changes you select will finalize even if you do not select "Finish."** Therefore, please make sure selections are what you intend. We recommend completing the process to the Confirmation Statement and selecting "Finish" to confirm accuracy.

Enrollment Frequently Asked Questions (FAQ)

What is the deadline to complete new hire benefit enrollment?

You have **31 days** from your full-time hire date to enroll in benefits.

What if I don't want to elect any County benefits?

You must still complete the enrollment process and waive any benefits you do not want.

When will premium contributions be deducted from my paycheck?

Premium contributions will begin on the first paycheck of the month that your benefits become effective. If you have not completed your enrollment prior to that pay period, your "missed" premium contributions will be added to your next paycheck. Premium contributions will apply to the first two paychecks of each month.

When will ID cards be received?

ID cards will arrive in your mail approximately 2-3 weeks after the completion of your enrollment. You may register on the carrier websites (see Contact List on page 2) at least one week after your enrollment has been completed to view your ID cards/member information. Medical/prescription ID cards will list the employee and covered dependents' names, all other ID cards will list only the employee's name.

My spouse is also a full-time employee with El Paso County and is eligible for benefits. How should we enroll?

You should carefully review the contribution rates and/or deductibles and out-of-pocket maximums and select the options that best meet your needs. If your elections affect your spouse's enrollment, your spouse must submit changes for a qualifying life event (see below).

Can I make a change to my benefits at any time?

If you have a **qualifying life event** as defined by the IRS (e.g., birth, marriage/civil union, divorce, etc.) you can make changes to your benefits by going to the Employee Benefits Portal at umr.workterra.net and submitting your changes **within 31 days** of the life event effective date. Documentation will be required for the life event and, if adding a dependent, proof of relationship. If there is no qualifying life event, changes can only be made at annual open enrollment.

When is open enrollment?

Open enrollment is held annually, typically in the month of October. Changes made at open enrollment are effective January 1st of the following calendar year.

Flexible Spending Accounts (FSA)

A Flexible Spending Account (FSA) is authorized by the IRS and available through your employer. There are two (2) types of FSAs available: a Health Care account and a Dependent Care account. Both accounts allow you to set aside money for eligible expenses on a pre-tax basis. El Paso County's FSAs are administered by **Employee Benefits Corporation (EBC)**.

The **Health Care FSA** is used for out-of-pocket medical, dental and vision expenses that are not covered by another health plan and that are incurred by you, your spouse or your child(ren) who has not attained age 27 as of the end of the calendar year.

The **Dependent Care FSA** is used for day care expenses incurred for the care of a child under age 13 or for the care of a dependent who is physically or mentally incapable of taking care of themselves.

Things you need to know about FSAs for 2022:

- The maximum that you can contribute to the **Health Care FSA is \$2,750**.
- The maximum that you can contribute to the **Dependent Care FSA is \$5,000** (\$2,500 if married, filing separate income tax returns).
- **Contributions for FSA will be deducted from all remaining bi-weekly pay periods in the plan year (twice monthly).**
- You may set up direct deposit of reimbursements to the bank account of your choice at ebcflex.com.
- You have a 3-month runout period after the plan year to file 2022 claims for reimbursement - until March 31, 2023. (If terminated, there is a 3-month runout period after the termination date in which claims incurred through the last day of work may be submitted.)
- You are allowed to rollover a minimum of \$50 up to \$550 of unused Health Care FSA dollars into the following plan year. Money left in your account at the end of the plan year under \$50 or in excess of \$550 is forfeited.
- There is no rollover for the Dependent Day Care FSA. Unused amounts at the end of the plan year will be forfeited.
- You do not need to be on the El Paso County Medical Plan to participate.

To view a listing of eligible Health Care or Dependent Care expenses, visit the EBC website at ebcflex.com.

Disability Insurance

Full-time employees are enrolled in and eligible for Short Term Disability and Long Term Disability insurance per plan eligibility requirements. Short Term Disability insurance is paid by the employee through payroll contributions of \$6.50 per pay period (twice monthly). Long Term Disability insurance is paid in full by El Paso County. These disability insurance plans provide a financial benefit that pays a percentage of an employee's salary for a specified amount of time if they are ill or injured and cannot perform the duties of their job. Please see the Employee Benefits Guidebook or the Summary Plan Descriptions found on the Employee Portal for more information on these benefits.

Supplemental Benefits

Accident Insurance is designed to help employees meet the out-of-pocket expenses and extra bills that can follow an accidental injury, whether minor or catastrophic. Indemnity lump sum benefits are paid directly to the employee based on the amount of coverage listed in the schedule of benefits.

Critical Illness Insurance is designed to help employees offset the financial effects of a catastrophic illness with a lump sum benefit if an insured is diagnosed with a covered critical illness. The Critical Illness benefit is based on the amount of coverage in effect on the date of diagnosis of a critical illness or the date treatment is received according to the terms and provisions of the policy. You may choose \$10,000 or \$20,000 of coverage for yourself and \$5,000 or \$10,000 of coverage for your spouse (employee must be covered). This plan includes a Wellness Benefit: every year, each family member who has Critical Illness coverage can receive \$50 for getting a health screening test.

Hospital Indemnity Insurance is designed to help provide financial protection for covered individuals by paying a benefit due to a hospitalization and in some cases, for treatment received for an accident or sickness, even if that treatment occurs outside the hospital. Employees can use the benefit to meet the out-of-pocket expenses and extra bills that can occur. Indemnity lump sum benefits are paid directly to the employee based on the amount of coverage listed, regardless of the actual cost of treatment.

Health Care Reform Notice

Grandfathered Health Plan: El Paso County believes the Medical Health Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at El Paso County Employee Benefits Division (719) 520-7420. You may also contact the U.S. Department of Health and Human Services at healthcare.gov.
